- Discussion sections were amazing as he was basically a second professor going over the material briefly and doing many examples

- He's mastered this subject.

- Sawyer is always prompt when answering students' questions in the Discord, and he always wrote up the explanations to problems very well. I really liked how he created pdfs for each of his discussion notes, because they help a lot. I like the way Sawyer ran discussion as it seemed very helpful for the times I attended.

- Sawyer was a fantastic TA this quarter! He was helpful, friendly, and clear during all of our sections and was easily accessible for homework help or logistical questions outside of class. Sawyer emphasized the importance of understanding concepts beyond just "plugging and chugging" and I feel so much more confident in my abilities to apply the material we learned this quarter outside of this class now. Wishing him all the best, thank you so much!

- Sawyer was accessible for office hours and in the class discord and provided assistance with homework clarification and just general questions on the course. He provided digital copies of his discussion notes which were very helpful in case I wasn't able to attend or if I missed something during discussion.
